Practically the whole of the Hindenburg line has been taken by the Allied troops.

Eat your Thanksgiving Dinner at the Monitor Hotel.

Don't forget the Red Cross Sale, on Oct. 31st. Make your donations early and often.

The Victory Loan starts on Oct. 28. Save for it.

The Canada Food Board has commandeered all the creamery butter made during October and up to November 9th., to be shipped to Great Britain and her Allies.

While Canadians are accustomed to two pounds of butter per person, per month, or eight ounces per person per week, the people of Great Britain at the present time are confined to two ounces per week, per person, and two ounces of butter over there includes a large proportion of Oleomargarine.

For the year ending July 1st, 1919, the Allies look to the American continent for 17,550,000 tons of meats, fats, sugar, feed grain and bread stuffs.

This means half a million tons more than was shipped last year. Conservation and production are essential in Canada.

Canada is one of the great fish producers of the world, but Canadians are not eating their share even yet. The catch in 1917 was 856,000,000 pounds or an equivalent of 94 pounds per head of population, while our consumption has been only 29 pounds per head of population. The Food Board is providing greater facilities for the marketing of Atlantic and Pacific fish in interior Canada.

There are 40,000,000 men on active service at the front. Behind the lines are another 10,000,000 on war duty. At home 40,000,000 are working in the war industries.

These 90,000,000 men are producing not one ounce of food; most of them need more than they ever did — and every man of them must be fed.

Basin Lake District

The Education Dept. has taken this district in hand and appointed Inspector W. J. McLean Official Trustee. The Inspector is anxious to get the school built this fall, if possible, and any local contractor can tender for the contract by applying to the Inspector or to C. Connah who has been asked to act as Sec-Treas. The Debentures are not yet sold, and any local capitalist who has money to invest will be given the preference.

The formation of this district has caused the loss of six quarters in the north-east corner of the Creek Valley district, but the Creek Valley Secty is trying to get compensation in some other part of the district.

Fellow Canadians!

"YOU who spend as much or more on your enjoyment—who indulge in as many of the good things of life as you ever did—you who buy what you want to, eat what you fancy, go where you please—who deny yourselves nothing—how much real thought do you give to the winning of the war?

"You know what we have to put up with. Do you think we could stand it all—the homesickness, the untold misery, and the terrible fighting—if we dreamed 'over there' that you were trifling with this war, that you were spending money on frivolous things?

"Don't you see that every time you spend a dollar on a thing you don't really need you are using the labor of a man who should be either fighting or making something that will help us—your soldiers—to fight?

"Oh, you chaps with money in your pockets and comfort in your homes and love of ease cankering your souls,—if you could know as I know all that war means, you'd stint yourselves down to the barest necessities, so that Canada's money and Canada's material and Canada's labor could all go into guns and shells and equipment for our boys in France to fight with!"

Note and Comment

By thrift we do not mean the hoarding of money, but the intelligent saving and investing of it. This saving and wise investing—this thrift—must not be confined to mere money and other material wealth, but must be applied to the elements of mind and body—for in thrift to make for growth there must be a surplus of human power, and in just such proportion will the same work for your health and your habits, and also lay a portion of it to have, and hold, and to use, when some of the unlooked-for contingencies of life arrive.

Get a battery for yourself, in the shape of a bank account, and see that day by day something is stored up for the time when either your producing mechanism may be incapacitated or be worn beyond repair.

Advertisement in daily paper: Wanted—Office boy to learn insurance business. No salary at first, but if service is satisfactory this will be doubled later.

THRIFTING, ARE YOU?

We think we are thrifting.
But maybe we're drifting.
And the coin that we click is not saving but shifting.
For seemingly spending
Goes on without ending
And heedlessness still is the trend of our treading.

In gleaming my meaning,
You'll find gasolining
Is still used for dusting instead of for cleaning.
And most of us happen
On fine fare and fatten,
While robing our softness in purple and satin.

Oh, maybe you're guilty and maybe you're not,
But ask: "Have I thrifted as much as I ought?"

Our thrifting is fickle,
It runs in a trickle.
We pickle a nickel to give us a tickle,
Then ride on the trolleys
To go to the follies
And hand ourselves thanks and a couple of jollies.

Man still goes on puffing,
Inhubbing and stuffing,
And holding enough yet without
"Hold! enough!"-ing,
While woman still poses
And shows us her hoses,
All silken and sheer to excuse her discloses.
At the end of the day, if you're feeling too good,
Ask this: "Have I thrifted as much as I should?"

—Edmund V. Cooke

They say that the Spanish Influenza is merely the old-fashioned grippie with a gas attack and a few bombs thrown in as trimmings.

Extra care should be taken in the selection of seed potatoes. When digging your potatoes in the fall is the proper time to pick the seed ones for the next crop. Those giving the largest yield and are free from disease should be set aside for this purpose. The use of small potatoes year after year will eventually lead to inferior yields.

Kirriemuir Chautauqua

The Kirriemuir Chautauqua will be held on Oct. 18-19-21, this year, with a program every afternoon and evening during the three days. Those who will take part in the various sessions include: Dr. Poole, Major Kirby, Ruthven MacDonald, Captain Briggs, Hampton Court Singers and the Ladies Festival Orchestra. Season tickets are selling for \$1.75, and can be had from any member of the committee or at the stores.
